INTRODUCTION

The International Chamber of Commerce (ICC) has launched Incoterms 2020, the newest edition of the renowned trade terms for the sale of goods. The new rules become **effective from 1 January 2020**.

The Incoterms® rules are an essential part of the daily language of international trade. They have been used in millions of sales contracts to help exporters and importers avoid costly misunderstandings by clarifying the tasks, costs and risks involved in the delivery of goods from sellers to buyers. The 11 Incoterms 2020 rules are:

EXW	FCA	FAS	FOB	CFR	CIF	CPT	CIP	DAP	DPU	DDP
-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Exporters, Importers, Bankers and Insurers, Freight Forwarders and Carriers need to be aware of the **new changes in Incoterms 2020** which provides more certainty and clarity to business and traders everywhere.

Incoterms 2020 now includes more detailed explanatory notes with enhanced graphics to illustrate the responsibilities of importers and exporters for each of the Incoterms 2020 rules.

Incoterms 2020 contain six significant changes from Incoterms 2010 viz:

1. The **FCA rule** now contains an additional element relating to bills of lading
2. Costs are now consistently listed in A9 (Seller's Obligations) and B9 (Buyer's Obligations), providing a "**one-stop list of costs**" for each rule.
3. **Different levels of insurance coverage** in CIF and CIP.
4. Arrangement for carriage with **own means of transport** in FCA, DAP, DPU and DDP.
5. DAT (Delivered At Terminal) has now been renamed **DPU (Delivered At Place Unloaded)**
6. An express allocation of **security-related obligations** within carriage obligations and cost.
